

NSAA ACADEMIC ALL-STATE AWARDS

The Nebraska School Activities Association announces the student recipients of the Fall 2009 Academic All-State Awards. This new NSAA Award Program recognizes students who meet the criteria for nomination by their school in the season their activity takes place.

The following leadership and scholarship guidelines apply:

1. A nominated student must be a **varsity player** or **organizational leader** who has played a significant role on the team or in the organizational activity during the seasons for which nominations are accepted.
2. A nominated student must have a minimum cumulative Grade Point Average, in all curricular subjects, of 93% on a 100% scale or the equivalent (3.7 on a 4.0-point scale, or A-, etc.).
3. A school may nominate two students for each NSAA-sponsored activity during the school year. Students who meet these requirements and are nominated by their school administration are awarded the NSAA Academic All-State Award for that activity.

Nominations must be made by March 9th for those students participating during the Winter Activities season. Winners will be announced in April for Winter Season's activities, which include Wrestling, Girls' Swimming and Diving, Boys' Swimming and Diving, Girls Basketball, Boys Basketball, Speech and Debate.
