

NSAA ACADEMIC ALL-STATE AWARDS

The Nebraska School Activities Association announces the student recipients of the Winter 2008 Academic All-State Awards. This NSAA Award Program recognizes students who meet the criteria for nomination by their school in the season their activity takes place.

The following leadership and scholarship guidelines apply:

1. A nominated student must be a **varsity player** or **organizational leader** who has played a significant role on the team or in the organizational activity during the seasons for which nominations are accepted.
2. A nominated student must have a minimum cumulative Grade Point Average, in all curricular subjects, of 3.7 on a 4.0-point scale or the equivalent, (93% or A-, etc.).
3. A school may nominate two students for each NSAA-sponsored activity during the school year. Students who meet these requirements and are nominated by their school administration are awarded the NSAA Academic All-State Award for that activity.

Nominations must be made by April 29th for those students participating in the Spring Activities season. Winners will be announced in May for the Spring Season's activities, which includes Music, Journalism, Baseball, Girls Soccer, Boys Soccer, Girls Tennis, Girls Track and Field, Boys Track and Field, and Boys Golf.
