**Form for Renewal of Cooperative Program Agreement**

Attached is a form to be used by the high schools that wish to continue sponsoring an existing cooperative program. If the high schools plan to continue cooperatively sponsoring the same program(s) as they sponsored during the preceding school year, this form should be completed, signed by the superintendent of each high school, and sent to the NSAA office.

It will not be necessary for the schools to complete the Cooperative Program Application form unless additional programs are added.

The agreement to continue the cooperative program should be approved by the schools' Boards of Education/Governing Bodies, but it is not necessary for members of the Board of Education/Governing Body to sign the agreement. Hopefully, this will save time and simplify the renewal process.

Renewal requests must be received by the NSAA by the applicable renewal dates:

1. June 1 for cooperative programs that will be implemented during the following fall sports season;
2. September 1 for cooperative programs that will be implemented during the following winter sports season; and
3. January 1 for cooperative programs that will be implemented during the following spring sports season.

**\*Please note new information request for which school is to receive any applicable reimbursement checks.**
