APPROVED RULINGS AND INTERPRETATIONS FOR 2.12.2.2

All head coaches are required to attend an NSAA Rules Meeting annually before the season begins. Failure to do so will result in possible suspension penalties. From time to time, there may be extreme situations that require a head coach to miss a required NSAA Rules Meeting. Head coaches should contact the NSAA in advance of the rules meetings to seek possible approval to be excused from such attendance.

Absence from the required rules meeting will result in the following sanctions:

First Offense in Three-Year Period

The head coach will be suspended from coaching in any competition in that sport until

(1) the head coach attends a make-up rules meeting, if available; or

(2) the head coach successfully completes the open book test for officials of that sport (70% or higher); and the school's administration verifies that the coach has read all the supporting NSAA, National Federation, and safety information.

During this regular season suspension period, the head coach may continue to coach the team at practices.

Second and Subsequent Offenses in Three-Year Period

The head coach will be suspended from coaching in all NSAA end-of-season play (subdistricts, districts, playoffs, and state competition).

The head coach will be suspended from coaching in regular season competition in that sport until

(1) the head coach attends a make-up rules meeting, if available; or

(2) the head coach successfully completes the open book test for officials of that sport (70% or higher); and the school's administration verifies that the coach has read all the supporting NSAA, National Federation, and safety information.

During this regular season suspension period, the head coach may continue to coach the team at practices.

FEDERATION RULES

All contests shall be conducted under the official baseball rules of the National Federation of State High School Associations (NFHS), or those approved by that organization with modifications approved by the Nebraska School Activities Association. Each school is provided one NFHS Baseball Rules Book.

The National Federation Rules Book contains several references to rules, which may be altered "by state association adoption." The NSAA Board of Control, which makes such adoptions for the Association, has approved the 10-run rule, suspended game policy, and speed-up rules for courtesy runners. These rules are in effect for all games, regular season and postseason play.

STEROID POLICY

The Nebraska School Activities Association (NSAA) and the National Federation of State High School Associations (NFHS), strongly oppose the abuse of anabolic steroids and other performance-enhancing substances by high school student-athletes. Such use violates legal, ethical and competitive equity standards, and imposes unreasonable long-term health risks. The NSAA and the NFHS support prohibitions by educational institutions, amateur and professional organizations, and governmental regulators on the use of anabolic steroids and other controlled substances, except as specifically prescribed by physicians for therapeutic purposes.

UNIFORM POLICY

Participants must keep their uniforms on while in the competition area. Coaches who are in the live-ball area to perform coaching duties must wear uniform pants, with a school-issued jersey, sweatshirt, jacket, pull over, etc. The coach's top must be in school colors.

UMPIRES

Schools make their own arrangements for hiring umpires for interscholastic competition. The Nebraska School Activities Association has registration requirements concerning baseball umpires. The NSAA will provide a list of registered umpires to each high school and local assignor to ensure only registered officials are used for varsity competition.

SUPERVISION

The superintendent, principal or an authorized representative of the faculty shall accompany and supervise the team for its competition. This bylaw pertains to all competition during the season, as well as throughout the entire district/state tournament series.

PARTICIPATION

Any student who participates on any baseball team other than a team representing his/her school during the baseball season becomes ineligible to represent the school in baseball during the remainder of that school year. The baseball season starts with the first day of practice, March 1, 2010.

- A student of either sex may participate in baseball.
- Students on high school baseball teams cannot physically participate in baseball clinics from March 1 through the end of the baseball season.
- A team's competition can come only from teams sponsored by another high school.
- Pitchers are under a 12-inning pitching limitation in a three-day period.
- In order to participate in a district or state contest in baseball, a student is required to have been a member of a school's team for at least 20 school days prior to the first day of the district or state competition and meet the requirements under NSAA Bylaws 3.3.7 and 3.5.1

PLAYING RULES

Suspended Game Policy. A game called for any reason where a winner cannot be determined, or any game called at anytime for mechanical failure (i.e. artificial light, water systems, etc.) may be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension, with the lineup and batting order of each team the same as the lineup and batting order at the moment of suspension, subject to the rules of the game. Both schools involved in the game must agree to the suspension. Any game tied but not completed will be treated as no-game, from a team won-lost standpoint.

Last Date for Playing Regular Season Games. All scheduled and postponed regular season varsity contests must be played prior to the start of district competition. Once district competition begins, no regular season varsity contests shall be permitted.

Protests. Only protests based upon eligibility of players will be honored by the NSAA. Protests based upon play situations and those that involve judgment on the part of umpires will not be accepted. Schools mutually agree in advance on the umpires to be used. After the contest has begun, the decisions of the officials are final.

Speed-Up Rules Approved For Use.

1. The team at bat may use courtesy runners for the pitcher and/or the catcher as soon as they get on base. The same runner may not be used for both positions. Neither the pitcher nor the catcher will be required to leave the game under such circumstances.
2. Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners.
3. A player may not run as a courtesy runner for the pitcher or the catcher and then be used as a substitute for another player in that half inning.

Note: The rulebook's speed-up rules on handling the ball after a putout with no runners on base were not adopted and are not required.

Pitching Limit. During the entire high school season, an athlete may pitch a maximum of 12 innings in a three-day period. This rule applies to regular season play, district and state tournament competition.

- If an athlete pitched two innings on Monday and four innings on Tuesday, he would be eligible to pitch only six innings on Wednesday.
- If he pitched six innings on Wednesday and then did not pitch on Thursday, he would be limited to six innings on Friday. The number of innings pitched the two previous days must be taken into account in figuring the number of innings eligible to be pitched on the third day.
- The time of day has no bearing on this rule. Two innings pitched on Monday in the morning would have the same effect on the example listed above as two innings pitched in the afternoon, no matter when the game on Wednesday was played.

Smokeless Tobacco Ban. During regular season, district or state competition, the use of smokeless tobacco by any participant is prohibited. If a participant or substitute is detected using smokeless tobacco during competition, that individual shall be disqualified from further participation in that contest.

Permissible Contests.

NSAA Bylaw 3.11.2.2 No team representing a member school may participate in more than twenty-four dates in addition to the state sponsored series of tournaments from the date of the first permitted contest to the close of the State Baseball Tournament. Participation in any baseball tournament shall count as one date of the twenty-four dates permitted in which the team participates. A team may not participate in more than four tournaments, which includes the conference tournament.

Teams playing baseball shall be allowed to schedule the following events, counting each as one of its twenty-four permissible dates:

Approved Ruling to 3.11.2.2

Single Game – two schools playing one game on one day.

Doubleheader – two schools playing two games on one day.

Triangular – three schools playing two pre-determined contests in one day.

Double-Dual – four schools playing two pre-determined contests or two of the other schools in one day.

Tournament – 4 or more teams where winners continue to advance or compete until a champion is determined (straight bracket or pool play with championship criteria).

Daily Contest Limit. No member school shall play more than two baseball games in one day.

Rescheduled Events. Rescheduling regular season or postponed varsity competition in all sports after subdistrict, district or state competition begins is prohibited.

Baseball Tournaments – All games in four-team baseball tournaments must be played within two consecutive days. Eight-team bracketed tournaments must be played within three consecutive days. Pool-play tournaments shall be played over two consecutive days. Pool-play shall take place the first day with place vs. place competition from each pool taking place (i.e., first place pool A vs. first place in pool B; second place in pool A vs. second place in pool B, etc.) on the second day. The only exception to the consecutive day period shall be when weather forces postponement of one or more contests in that tournament.

Once the baseball season has begun, schools CANNOT add games to their regular season schedules.

All scheduled contests shall be played. Postponed contests shall be rescheduled by all participating schools if possible.

NSAA GUIDELINES & EJECTIONS

1. Enforcement of the “sit-out rule” for ejections from high school contests for unsportsmanlike conduct is a responsibility of the member school. Failure to properly enforce this rule could result in other sanctions by the NSAA.
2. Administrators will be expected to promptly file a report with the NSAA whenever a participant or coach from their school has been ejected from any high school contest. Such filing must be done on-line under the AD login section of the NSAA webpage.
3. A participant or coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next athletic contest at that level of competition and any other athletic contest at any level during the interim.
4. Enforcement of the “sit-out rule” is expected to begin immediately, regardless whether it is regular-season or tournament play.
5. Any participant ejected a second time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next two contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess.
6. Any participant ejected a third time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next three contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess.

7. During the time of their “sit-out” suspension, athletes who are ejected for unsportsmanlike conduct may not suit up or participate, but it is the school’s discretion whether such athlete is able to travel with the team or sit on the team bench.
8. Coaches who are ejected for unsportsmanlike conduct may not coach in any contest or be present at the contest site during the time of their “sit-out” suspension. Coaches who are ejected will also be required to successfully complete the NFHS Sportsmanship on-line course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Sportsmanship on-line course before being able to coach the following season or year.
9. Coaches who are ejected a second time in a season will be required to sit-out the next two contests at that level, plus all other contests at other levels during the interim. Coaches may not be present at the contest site during the time of their “sit-out” suspension. Any coach ejected a second time will also be required to successfully complete the NFHS Fundamentals of Coaching on-line course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Fundamentals of Coaching on-line course before being able to coach the following season or year.
10. If the ejection takes place in the final game of the season, the suspension will carry over to the following season.
11. When schools have students or coaches with multiple ejections, the school shall submit to the NSAA a written management plan on how they plan to remediate the problem.
12. Officials will be expected to file with the NSAA an ejection report for any ejection of a player or coach from a contest on-line. Any unusual situation that occurs prior to, during, or after a contest should also be reported.
13. Prompt reporting to the NSAA office by the official is necessary. Officials are asked to submit their electronic report or call the NSAA office by the day following the ejection.
14. Officials are asked to be specific in listing the reason(s) for an ejection.
15. Affiliated officials (officials registered from contiguous states) will also be required to perform this reporting function.
16. There is no appeal process for ejections for unsportsmanlike conduct.
17. The Executive Director shall reserve the right to consider the length of suspensions when some levels of competition are scheduled on an irregular basis (e.g., three weeks between regularly scheduled non-varsity contests).

NSAA BYLAWS & APPROVED RULINGS

- 2.11.5 **Investigation.** Prior to the assessment of any penalty, the Executive Director will gather data in order to establish intent, fault, and the effect an ineligible participant had on any interschool contest. - 2.11.6 **Institution Control.** If the said violation is brought to the attention of the Board of Control as a result of self-policing by the offending school, the Board of Control shall issue the highest of commendations to the administration of the school for its efforts in enforcing the Constitution.

2. Members **MUST** pay regular admission for district and state contests.
3. The use of artificial noisemakers is prohibited. (Examples: thunder sticks, air horns, whistles, bells, etc.) Megaphones are to be used by cheerleaders only. Band instruments, including drums, are not to be played at any time other than when the entire band is playing. Bands should not be permitted to play except prior to the game, at intermissions and time-outs.

Cheerleaders & Drill Teams.

1. Due to potential liability in case of injury, mounts and pyramids by cheerleaders and drill teams during the district and state tournaments are prohibited. A mount is defined as any stunt where one individual is supported above the level of the ground by another individual or individuals. The height of the mount or pyramid, or the number of people involved, has no bearing on the type of stunt performed.
2. Cheerleaders and drill team members **MUST** pay regular admission to district and state events.

Radio, Television & Internet.

1. Telecasting or video web-casting of a district tournament, on a live basis, is prohibited.
2. Radio or audio web broadcasts of district games shall be permitted provided ample space is available for the broadcast crew(s).
3. It is the decision of the teams in the tournament whether a broadcast fee is to be charged. The practice of charging a broadcast fee is discouraged; however, if a fee is charged, the competing schools shall set the amount of the fee, not to exceed \$50 per tournament.
4. Videotaping for delayed telecasting is permitted if the host school approves and the media outlet agrees to follow the NSAA delayed telecast policy.
5. Broadcasting, recording, photographing, videotaping, or televising of NSAA-sponsored events shall not be permitted for commercial purposes, or for other than personal use, except with the expressed permission of the Nebraska School Activities Association.

DISTRICT TOURNAMENT INFORMATION

District Tournaments. The district tournaments will be single-elimination with the winner qualifying for the state tournament.

District Dates. District tournaments will be held May 7, 8, 10, and 11.

District Entry Deadline. NSAA Entry Forms are now accessed and submitted on-line. The Athletic/Activities director will give the certified coach the login to this activity. Go to the NSAA web site (www.nsaahome.org) and click on "Login" and enter your login code/password. On the subsequent page, click on "District Entry Form" and complete your roster form (detailed instructions can also be obtained from the web site). You will need to print this form for your files and e-mail a copy to the district director. You do **NOT** need to e-mail or fax the form to the NSAA office. Once the form has been completed and submitted by the school, the NSAA office will automatically receive an electronic version of this form. Schools may make changes to this form up until the due date, which is April 26. After that, you will need to contact the NSAA.

District Assignments. All Class A schools in baseball are to be placed into six districts. Six of the districts shall be determined using a serpentine method (not modified), based upon the NSAA wild-card point system within two weeks prior to the first district. Games through April 27 will be counted for Class A district assignments and seeding. *The top seed in each district will be offered a contract to host the district tournament. If the higher seed is unable to host the district tournament, the subsequent seed shall be offered a contract until a location is secured. District tournament seeding and brackets shall be posted on Thursday, April 29.*

District Pairings. District pairings will be made for four-team districts in the following manner: Seed 1 vs. Seed 4; Seed 2 vs. Seed 3. District pairings for five-team districts: Seed 4 vs. Seed 5, with winner playing Seed 1; Seed 2 vs. Seed 3. In six-team districts, the seeding will be: Seed 4 vs. Seed 5, with winner playing Seed 1; and Seed 3 vs. Seed 6, with the winner playing Seed 2. (Should there be a tie in wild-card points for district seeding; the wild-card tie-breaking procedure shall be used.) The highest seeded team will be the home team for first-round games. Teams receiving first-round byes shall be the home team for their first tournament game. The remaining home teams will be determined by a coin flip.

Handicapped Accessibility. Facilities used as a district site must provide reasonable accommodations to people with special needs.

District Admissions. An admission shall be charged and proceeds used by the director to offset expenses of the tournament. The NSAA share of the district receipts will cover the cost for the catastrophic injury insurance premium. District admission prices are \$5.00 for adults and \$4.00 for students.

Finances. An on-line financial form from each district site must be filled out and submitted to the NSAA. This baseball financial form is accessible through your NSAA home page by using your log-in code. Under district host information, you will find the “Baseball” financial form to complete and submit. After paying the umpires, any other expenses incurred, plus the NSAA portions, the remaining receipts are for your school to keep. To complete this on-line form you will need: 1) the approximate attendance; 2) total gate receipts; 3) total game fees for officials; and 4) total mileage for officials. If the host school does not meet expenses, the schools in the district may be assessed a fee to equal the deficit.

Eligible Players. Players listed on the District Entry Form will be eligible to play in district and state tournament games. Substitutions to this list can be made, but no more than twenty players may suit up for district or state tournament games. If substitutions are made, inform the tournament director as soon as possible. Anyone substituted must be eligible according to all NSAA rules.

Suspension of Play. Play during district and state tournament contests may be suspended when the umpires consider the weather or ground conditions unfit to play. Tournament officials and umpires will determine when play is to resume. Once play has been resumed, the game will continue from the point of suspension with the lineup and batting order of each team exactly the same as the lineup and batting order at the moment play was suspended.

Umpires. Assigned by the NSAA at \$45 per game, with possible mileage. Umpires are encouraged to carpool whenever possible. An umpire who is not hired as part of a crew or set of officials/judges and who is required to drive his/her own vehicle will be paid mileage using the following formula: (Using the NSAA mileage chart) one-way miles (to the site of the host city) x number of trips made x 1.00¢.

Umpires living in the host city will not be paid mileage.

When hired as a crew or set of umpires, the umpire who lives farthest away from the host city (among that crew or set of officials/judges) and who drives his/her own vehicle will be paid mileage using the following formula: (Using the NSAA mileage chart) one-way miles (to the site of the host city) x number of trips made x 1.00¢.

The crew or set of officials/judges may split this mileage fee between/among themselves in any manner they determine.

Baseline Coaches. Only players and coaches in uniform may serve as baseline coaches at the district and/or state tournament.

Awards. The winner and runner-up of each district tournament will receive plaques. Wild-card qualifiers to the state tournament will receive plaques.

State Qualifiers. Each district tournament champion qualifies for the state tournament. In Class A, the six district champions, plus the two remaining non-district champions with the highest wild-card point average shall qualify for the state tournament. In Class B, the four district champions, plus the four remaining non-district champions with the highest wild-card point average shall qualify for the state tournament.

Wild-Card Criteria. The results of only those games played against varsity teams of schools in Nebraska and of varsity teams in states contiguous to Nebraska will be used to:

- Calculate point averages.
 - To determine the win and loss record for designating a team as a first, second, third or fourth division team.
1. Six teams in Class A will qualify for the state tournament by winning the championship of their respective district tournaments. Four teams in Class B will qualify for the state tournament by winning the championship of their respective district tournaments.
 2. Two additional teams in Class A and four additional teams in Class B, which fail to qualify through district tournament competition, will be chosen to complete the eight-team tournament field.
 3. These teams will be selected in the following manner:
 - a. Only the contests between varsity Nebraska teams and varsity teams from states contiguous with Nebraska will be considered when calculating the point totals.
 - b. The results of all such contests played through the district tournaments shall be used.
 - c. This includes regularly scheduled contests, tournament contests, and district contests.
 4. **FORFEITS:** Teams shall receive wild-card points for forfeited losses if the forfeit was due to extenuating circumstances (such as weather) between the two schools. No wild-card points shall be awarded for losses when the forfeit is imposed by the Executive Director or Board of Control; an appeal to the Executive Director would be heard if the infraction leading to the NSAA imposed forfeiture was self-reported by the school.
 5. **FORFEITS: When a school’s varsity team is unable to complete the season, those remaining teams on that school’s regular season schedule shall receive forfeit wins for those scheduled contests and shall be awarded wild-card points for those forfeit wins. Wild-card points will be determined by the forfeiting team’s record at the time of seeding for postseason competition.**
 6. Varsity teams of schools located in contiguous states will be converted to a Nebraska classification using enrollment figures obtained from that state’s activities association.
 7. The following point evaluation scale will be used to determine a team’s total points:

| | 1st Division | 2nd Division | 3rd Division | 4th Division |
|---------------------|--------------------------------|--------------------------------|--------------------------------|--------------------------------|
| | Team | Team | Team | Team |
| Victory Over | 50 | 47 | 44 | 41 |
| Loss To | 39 | 36 | 33 | 30 |

- a. A first division team is a team, which has won at least 75% of its matches played. Examples: 20-0, 19-1, 18-2, 16-4, 15-5.
 - b. A second division team is a team, which has won at least 50% but less than 75% of its matches played. Examples: 14-6, 13-7, 12-8, 11-9, 10-10.
 - c. A third division team is a team, which has won at least 25% but less than 50% of its matches played. Examples: 9-11, 8-12, 7-13, 6-14, 5-15.
 - d. A fourth division team is a team, which has won less than 25% of its matches played. Examples: 4-16, 3-17, 2-18, 1-19, 0-20.
8. No points are deducted for playing teams that are classified below your classification.
 9. In competition with schools one classification above yours, 2 bonus points will be awarded.
 10. A team’s point average will be determined by dividing the total number of points by the number of contests played.
 11. The teams failing to qualify through district competition in their class, but having the highest point average based on the year’s record after the completion of all the district tournaments will be selected as the wild-card qualifiers.

12. If a tie exists for one or more of the qualifying spots, the following procedure will be used to select the team or teams.
 - a. If only two teams have identical point averages and are tied for one of the qualifying spots and the teams have played each other, the team that won the contest or the majority of contests between the two teams in question will qualify for the state tournament.
 - b. If the two teams have not played each other or if more than two teams are tied, step C will be used to determine which team qualifies for the state tournament.
 - c. If two or more teams have identical point averages and are tied for one or both of the remaining qualifying spots, the team or teams playing the greatest number of first division teams will be selected. If only two teams remain after this step and the two teams tied have played each other, step A will be used to determine the qualifier for the state tournament.
 - d. If a tie still exists, the team's opponents' wins and losses will be totaled and the winning percentages calculated. The team whose opponents have the highest percentage based on this calculation will be chosen.
 - e. If a tie still exists, the representative will be decided by a coin flip in the NSAA office.

Classification of Out-of-State Schools for Wild Card Consideration

When determining the classification of an out-of-state school for wild-card purposes, if the school's three-grade enrollment is less than the lowest enrollment in a particular class, the out-of-state school shall be classified in the immediate lower class. The enrollment of Nebraska schools opting up to play in a higher class will not be considered when comparing out-of-state schools for classification purposes.

Classification of Out-of-State Schools for Wild Card Consideration When Enrollment is Identical to Schools in Two Different Classes

In determining classifications for NSAA activities, if two or more schools are tied for the final place in a particular class, the tie is broken by using the schools' three-year average enrollment for the most recent three years. When determining the classification of an out-of-state school for wild-card purposes, if the out-of-state school's three-grade enrollment is identical to the enrollments shared by schools in two different classes, the out-of-state school shall be placed in the higher class.

Reporting Scores. Wild-card points and standings will be available on the NSAA internet home page. Game results should be reported to all media and the NSAA office. The Omaha World-Herald (800-284-6397) and Lincoln Journal Star (800-742-7315) will be the day-to-day source for scores used to calculate wild-card points. Schools may send their results each day they play to: jangele@nsaahome.org.

Postponement Plans.

Schools qualifying for the state tournament must be prepared for time changes the NSAA may have to make because of weather conditions:

- 1) If the weather prevents first-round play on May 15, the first-round schedule will be reset for May 17. The rest of the tournament will follow accordingly with the championship finals scheduled for May 21.
- 2) If some first-round games are not played on May 15, Session 1 will be completed on May 17.
 - On May 18-Games 5, 6, 7 and 8 will be played.
 - On May 19-Games 9, 10 and 11 will be played.
 - On May 20-Games 12 and 13 will be played.
 - On May 21-Game 14, the championship final(s) will be played.
- 3) If all four games (games 5, 6, 7 and 8) are not played or completed on May 17, they will be completed on May 18. The rest of the tournament schedule shall be determined by the NSAA and announced.
- 4) If games cannot be completed on May 18, games 9, 10 and 11 will be played on May 19. The rest of the tournament will follow accordingly with championship final(s) scheduled for May 21.
- 5) If games 12 and 13 are not played on May 19, they will be rescheduled on May 20, with the championship final(s) scheduled for May 21.

Adjustments in the tournament schedule may be made for two school functions--baccalaureate and commencement. No other conflicts can be considered. Schools with baccalaureates or commencements scheduled on May 15-17-18-19-20 should inform the NSAA office prior to the start of the tournament.

Dugout Assignments. The higher-seeded team shall occupy the third base dugout for all contests. The lower-seeded team shall occupy the first base dugout for all contests.

Home Team. The home team for first-round games (Games 1, 2, 3 and 4) will be the highest-seeded team. Home team for all other games and finals will be decided by a coin flip, except game 15. The home team in game 15 (if necessary) will be the visiting team of game 14.

Additional Game Rules. At the state tournament, the Association has permission from the National Federation to extend the suspended game rule so all games not terminated by the 10-run rule will play a full seven innings or more if necessary to determine a winner. This means a team could build a 4-3 lead in the state tournament and be up to bat in the bottom of the fifth inning with the score still at 4-3 when weather forces the game to be stopped. The game would be suspended and resumed when weather permits. Prior to the postseason, this game would be terminated and the final score set at 4-3 because play went beyond 4-1/2 innings and one team was ahead.

Reimbursement. Mileage reimbursements will be based on the number of participants (qualifiers, number on roster) and one coach. (Note: Student Managers will not be included.) A school's mileage

reimbursement will be figured using the following formula: [(#miles one way x # trips) – 50 miles] x appropriate amount listed below:

| Amount per mile | Number of participants/coaches |
|------------------------|---------------------------------------|
| \$0.85 | 1-6 |
| \$1.70 | 7-12 |
| \$2.55 | 13-18 |
| \$3.40 | 19-24 |

Lodging. If lodging is used, \$15 per participant and one coach will be paid based on the following criteria: (Note: **Times listed are scheduled competition start times.**)

Night before competing—

 Before 10 a.m., 76 + miles away

 Between 10 a.m. and 3 p.m., 150+ miles away

 At or after 3 p.m., 250+ miles away

Admission Prices. State tournament admission prices will be \$7.00 for adults and \$5.00 for students ages five through high school for each session.
