Re: High School Rules of Golf Workshops

The Nebraska Golf Association will conduct a series of free regional Rules of Golf workshops for high school players and coaches this spring and fall. These seminars are a great way to educate your student-athletes before they enter the golf season and may assist in making your 2011 competitions fair and enjoyable.

This year's 1 hour and 45 minute PowerPoint program will again cover basic rules golfers encounter during play with an attempt to engage the audience by placing them in likely rules situations.

Those coaches who attend will receive a 2010-11 Decisions on the Rules of Golf Book. Players who attend will receive a 2010-11 Rules of Golf Book.

The dates and sites for 2011 include the following:
