**Our concern is that Class A schools competing at Jackrabbit Run Golf Course may encounter Union Pacific Railroad crossings which may be closed or involved with delays on Monday and Tuesday. Schools entering Grand Island from the north should not be impacted with travel north of the main east/west railroad lines. Following the above routes will ensure no major travel delays are encountered entering Grand Island and traveling back and forth to the Class A golf venue. Please see that your golf coaches and any event attendees have this information.**

**Thanks for your cooperation!**
