### LINCOLN CONVENTION AND VISITORS BUREAU & PERSHING CENTER TO OFFER FREE SHUTTLE SERVICE FOR STATE VOLLEYBALL TOURNAMENT

Lincoln – The Lincoln Convention and Visitors Bureau along with Pershing Center have teamed up to offer free shuttle service to tournament spectators for the State Volleyball Tournament on Friday November 9<sup>th</sup>.

The free shuttle will operate every 10 minutes running between the Haymarket Garage located at 848 Q Street and Pershing Center located at 226 Centennial Mall South, from 8:30 am to 11:00 pm. The Haymarket Garage will offer all day parking for \$3.00 as an additional value to the free shuttle service. Exact cash is appreciated.

**New this year:** The shuttle will also be running Saturday November 10<sup>th</sup> between Pershing and State Fair Park. Parking and use of the shuttle is free of charge to spectators as a way to alleviate traffic/parking in the downtown area during the tournaments and the Nebraska/K-State Football game. Spectators will need to park near the grandstand at State Fair Park to board Saturday's shuttle.

“Convenience and hospitality is what people remember when they visit Lincoln and by offering this shuttle service to state tournament attendees, we are able to alleviate any downtown parking questions they may have during their stay in Lincoln,” stated Jeff Maul, Executive Director of the Lincoln Convention and Visitors Bureau.
